

WHY CHOOSE NATURAL THERAPY?

Natural Therapies :

Are safe, gentle, non-invasive and effective in treating and relieving your symptoms.

Cater to your unique physical, mental and emotional health and needs.

Enable you to make the decisions about your own health.

Our practitioners here at WILMA are accredited and experienced professionals who are members of professional associations.

They are committed to all women being able to access natural therapies as a choice to address their health needs, regardless of the cost.

Naturopathy

Naturopathy looks at every aspect of your health and seeks to find the underlying cause of problems, rather than just treating the symptoms.

Our Naturopath can tailor a health program to your individual needs to help restore balance in the body and help prevent future illness. She uses a range of modalities such as clinical nutrition, herbal medicine, iridology and flowers essences.

Naturopathic medicine can assist with a wide array of conditions such as;

- ⊙ Allergies and auto-immune conditions
- ⊙ Arthritis
- ⊙ Cardiovascular disease
- ⊙ Digestive complaints, including IBS
- ⊙ Colds and Flu
- ⊙ Headaches and Migraines
- ⊙ Infertility and Pregnancy Health
- ⊙ Anxiety and Depression
- ⊙ Stress and Insomnia
- ⊙ Women's Hormones i.e. menopause/ problem periods

Acupuncture

Acupuncture treatment involves the insertion of fine needles in various acupuncture points on the body, along with cupping, moxibustion, and heat therapy.

But before this happens it is important to firstly diagnose YOUR problem through a series of questions, pulse, and tongue diagnoses which will reflect any illnesses, and/or imbalances in your physical and mental health.

As a natural form of healing, acupuncture has the following benefits:

- ⊙ Provides drug-free pain relief
 - ⊙ Treats the underlying cause of disease and illness as well as the symptoms
 - ⊙ Provides a wholistic approach to the treatment of disease and illness, linking body, mind and emotions
 - ⊙ Assists in the prevention against disease and illness as well as the maintenance of general well-being
- It can effectively treat a wide range of acute and chronic ailments including:
- ⊙ Anxiety and Stress
 - ⊙ Depression
 - ⊙ Pain
 - ⊙ Digestive problems
 - ⊙ Women's Health Issues
 - ⊙ Immune problems
 - ⊙ And many other conditions.

Low-cost service.

Health fund rebates available if applicable.

Cranio-sacral Therapy

Cranio-Sacral Therapy (CST) is a gentle hands-on treatment that releases tensions deep in the body to relieve pain and dysfunction, and improve whole body, emotional and mental health.

It is deeply relaxing and can help treat:

- ⊙ Migraines and Headaches
- ⊙ Chronic Neck and Back Pain
- ⊙ Stress and Tension-Related Disorders
- ⊙ Chronic Fatigue Syndrome
- ⊙ Fibromyalgia
- ⊙ TMJ Syndrome (jaw pain)
- ⊙ Scoliosis
- ⊙ Post-Traumatic Stress Disorder

Healthy Lifestyle Coaching

WILMA Healthy Lifestyle Coaching is a program that consists of nutrition exercise plans and goal setting that will help develop and maintain a healthier way of living.

This program also takes into consideration individual health risk factors, and personal and cultural preferences.

Bookings are necessary for all services and can be made over the phone. If you're unable to attend, please advise us as soon as possible.
